**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need more choice when it comes to internet providers not less. These big corporations can hold everyone hostage if there is no competition.

I am retired and cannot afford anymore prices hikes for what has become ab essential in my life. I would like to pay less for my internet service but if there is no broadband competition I don't even have a choice.
